

Certificate of Approval

This is to certify that the Management System of:

Relay Engineering Ltd

S167 South Yard, HM Naval Base Devonport, Plymouth, PL2 2BG, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 14001:2015, ISO 9001:2015, SSiP (Safety Schemes in Procurement), ISO 45001:2018

Approval number(s): ISO 14001 – 0010296, ISO 9001 – 0010297, SSiP – 0009878, ISO 45001 – 0010298

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

ISO 9001:2015

Design and installation of engineering solutions to the defence, marine, oil and gas sectors including maintenance, repair and Non-Destructive Testing services. Inspection, repair and calibration of electrical test equipment. The supply and servicing of compressed air products to include bespoke fabrication solutions.

ISO 14001:2015

Design and installation of engineering solutions to the defence, marine, oil and gas sectors including maintenance, repair and Non-Destructive Testing services. Inspection, repair and calibration of electrical test equipment.

ISO 45001:2018

Design and installation of engineering solutions to the defence, marine, oil and gas sectors including maintenance, repair and Non-Destructive Testing services. Inspection, repair and calibration of electrical test equipment

SSIP Certification

Design and installation of engineering solutions to the defence, marine, oil and gas sectors.

David Derrick

Area Operations Manager UK & Ireland

Issued by: Lloyd's Register Quality Assurance Limited

Relay Engineering Ltd also holds an Accredited ISO45001:2018 certificate at site(s) detailed in this certificate for the duration of this certificate. The following categories apply for SSIP: Principal Contractor, Contractor, Designer
